Randy Palaniuk Introductions and Welcome Greetings

Agenda Items

1. Professional Locators are critical to a successful Ground Disturbance Project

Learn about the science behind locating and understand how the frequencies and current react to all the different conductors buried in the ground. Real life examples and case studies of Ground Disturbance Projects will be examined to provide the audience with a better understanding of best practices and locating techniques.

Presented by Adam Grossberndt, Senior Locator/Regional Manager - Edmonton Regional Area

11:00 am – 11:45 am

2. Updates from the Canadian Common Ground Alliance and Alberta One-Call.

- Get an update about Bill S-229, (Act respecting underground infrastructure safety) and find out about the next steps.
- Find out more about the 2018 CCGA Damage Prevention Symposium held in Whistler, BC from October 30 – November 1, 2018.
- Learn more about the new Western Canada One-Call System Software change and how it affects are members.
- Learn about lessons learned from the Oceania Damage Prevention Conference held in Australia this past August.

Presented by Mike Sullivan, President of Alberta One-Call and Executive Director of the Canadian Common Ground Alliance
